**Incident Summary:** On 1/27/20, around 8:30am, staff at Centennial High School were notified by a student that his cell phone was stolen when he was in the lunch room. The security officer at the school went over video of the cafeteria and saw a student pick something up off the table that the other student was using (missing the phone). The security officer pulled the student, that picked the item up, out of class, and took him to the office. Security searched the student's person and backpack for the missing phone. The security officer found a loaded gun in the student's backpack. The high school resource officer was notified and the 15 year old student was arrested for Conveyance/Possession Deadly Weapon in School Zone and CCW. The student was charged by the Gun Crimes Unit.
